

Broward County Butterfly Chapter
<http://browardbutterflies.org>

of the

North American Butterfly Association
www.naba.org

The **Broward County Butterfly Chapter (BCBC)** of NABA is a membership-based, not for profit organization working to increase public enjoyment and conservation of butterflies, butterfly gardening, garden tours, field trips, and butterfly counts. Meetings are educational and informative and include presentations on butterfly species, butterfly gardening, and butterfly sightings. Join us on the second Thursday of August through May at 6:30 p.m. for refreshments and at 7:00 for the regular meeting at the Broward County Extension Service Building, 3245 College Avenue, Davie, Florida, 33314, (954) 370-3725. The Extension Building is on the West side of College Avenue, opposite the sign for the Florida Atlantic University (FAU) campus, just North of Broward College's (BC's) main entrance. Meetings are free and open to the public.

For news, activities, and gardening tips, visit browardbutterflies.org or call 954-993-9449 for information.

Join the Broward County Butterfly Chapter of N.A.B.A. today!
