

# Fall Butterfly Counts

**Sunday, September 9, 2018 in South Broward  
and  
Saturday, September 22, 2018 in North Broward**

The NABA Butterfly Counts is an ongoing program of NABA to census butterflies of North America (United States, Canada and partially Mexico) and to publish the results. Volunteer participants select a count area with a 15-mile diameter and conduct a one-day census of all butterflies sighted within that circle.

If you are interested in participating, please contact anyone listed below and join that count for a few hours or day of fascinating butterfly counting.

**TIMES: 8:30 a.m. to 11:30 a.m. at all locations and 1 p.m. to 3 p.m. at Long Key and Birch S.P.**
